PacificQuest is an exciting opportunity for gifted students to explore college level courses and receive one hour of college credit for their work.

Courses:

All students:

Experiencing Psychology:

Understanding the mystery and capacity of the human mind.

Choice of:

Exploring Physics:

Discover man's comprehension of the function of God's laws in the physical environment.

Enjoying French:

Immerse yourself in a world of language and culture like a true philosopher at a virtual Parisian-style café.

Admissions Qualifications:

1. Current enrollment in grade 7, 8, or 9
2. Achievement test scores of 90% or above in language and math
3. High rating on Characteristics Questionnaire (completed by teacher)
4. High recommendations from teachers and/or principals
5. Good grades

The selection committee will consider exceptions to the above. Grades, though considered, will have less weight than test scores and recommendations. Enrollment is limited to the highest qualifying twenty-five students.
